

**LOCAL AGENCY BRIDGE BUNDLING (CRRSAA/Phase II) – NORTH/UPPER DESIGN-BUILD BRIDGE PROJECT**

**REVIEW OF DRAFT REQUEST FOR PROPOSAL:**

**When:** May 1, 2023 to May 15, 2023 or until issuance of the final Request For Proposal (RFP)

**Where:** The Michigan Department of Transportation (MDOT) has posted a Draft RFP for the Local Agency Bridge Bundling (CRRSAA/Phase II) North/Upper Design-Build Bridge Project which is located throughout the state of Michigan in 5 different counties on ProjectWise for review: Documents\External Partnerships\Design-Build Draft RFP\[Local Agency Bridge Bundling-North Upper](#).

Please notify the MDOT Innovative Contracting Project Manager, James Ranger, by email at [RangerJ@michigan.gov](mailto:RangerJ@michigan.gov) for any issues with accessing the above ProjectWise link.

The project consists of the design and construction for the following major items of work: 5 bridge replacements and the associated approach roadway reconstruction for each bridge.

Only shortlisted Design-Build teams can bid on this project.
